Capario Unveils New Customer Resource Center

Resource center demonstrates Capario's commitment to providing guidance and insight to its customers through open communication and education

Santa Ana, CA – March 22, 2011 – Capario, a leading provider of revenue cycle management solutions that connect healthcare payers and providers nationwide, today announced the launch of its new online resource center that features legislative insight and best practices for simplifying and enhancing claims management and accelerating the revenue cycle.

"At Capario, we are continually striving to bring more value to our clients. We want to be proactive in keeping our clients informed of all updates to our portal and network as well as any industry regulations that affect their claims processes," said Jim Riley, president of Capario. "We are thrilled to unveil our innovative new resource center, which allows clients to quickly and easily find information on everything from payer lists to a 5010 progress timeline."

Capario's resource center is open access for all prospective, new and long-standing customers. The section includes the following resources:

- **Payer lists**, including three categorical search options for easy access to payer information, and the ability to create custom payer lists;
- **Enrollment**, including downloadable payer agreement and enrollment forms;
- **HIPAA 5010**, including implementation guides as well as detailed information on conversion rules and testing;
- **Companion guides**, including search functionality for various reference guides related to claims, ERAs, payer implementation, NPI, B2B real time and other;
- **Communications**, including Capario e-newsletters, notifications and payer list updates on the latest portal changes and news; and
- **Webinars and tutorials**, including the latest solution-based webinars, videos, portal tutorials and other educational resources, all available by request.
