ERA Payer Agreement Instructions for Georgia Medicaid (MC020)

Prior to requesting ERAs for Medicaid Georgia, providers must be issued a submitter/provider log in from Georgia Medicaid in order to designate Capario as their agent. If you do not have your provider PIN letter, please contact Georgia Medicaid EDI Services at (877) 261-8785. Also, please be sure to include your assigned payee number on your Capario spreadsheet.

ERA Transactions are available as an additional Capario contracted service. Please ensure you are contracted with Capario to request Electronic Remittance BEFORE requesting ERAs through Capario for this payer. If you are unsure about your current status please contact Capario sales at: sales@capario.com or 800-586-6870.

EFT enrollment and transmission is an arrangement between the provider and the Payer. If the Payer offers EFT transactions contact them to determine if they:

- Require you to receive EFTs in order to receive their ERAs
- Charge an additional fee for EFTs/ERAs
- Require you to enroll for EFTs on this ERA enrollment form.

We recommend enrolling using the convenience of our enrollment tool located on the Capario portal. This tool allows you to enter providers, select the payers and transactions for which you want to enroll, and produces pre-filled forms for processing. If you are not currently using the Capario portal, you can contact us at sales@capario.com and our team will ensure that you are set up and will provide a quick tutorial on using the enrollment tool.

Enrollment can be completed without the enrollment tool by following the [specific instructions for this payer shown below.](#)
