ERA Payer Agreement Instructions for
Michigan BCBS (BS017) / Michigan Medicaid (MC035)
Michigan Medicare Plus Blue / Medicare Advantage (MR117)
Blue Care Network of Michigan (95610)

ERA Transactions are available as an additional Capario contracted service. Please ensure you are contracted with Capario to request Electronic Remittance BEFORE requesting ERAs through Capario for any of the above payers. If you are unsure about your current status please contact Capario sales at: sales@capario.com or 800-586-6870.

EFT enrollment and transmission is an arrangement between the provider and the Payer. If the Payer offers EFT transactions contact them to determine if they:

- Require you to receive EFTs in order to receive their ERAs
- Charge an additional fee for EFTs/ERAs
- Require you to enroll for EFTs on this ERA enrollment form.

We recommend enrolling using the convenience of our enrollment tool located on the Capario portal. This tool allows you to enter providers, select the payers and transactions for which you want to enroll, and produces pre-filled forms for processing. If you are not currently using the Capario portal, you can contact us at sales@capario.com and our team will ensure that you are set up and will provide a quick tutorial on using the enrollment tool.

Enrollment can be completed without the enrollment tool by following the [specific instructions for this payer shown below.](#)

Guidelines for Enrolling with these Payers

For Payer IDs BS017, MC035, MR117, & 95610 ERAs: Be advised that MI BCBS ERA processing and enrollment for these Payer IDs will be returned and completed under Payer ID BS017.
