ERA Payer Agreement Instructions for Washington Medicaid (MC006)

You will enroll by completing the Capario ERA Enrollment Request Form or via the Enrollment tool in the Capario Portal. Additional instructions for this Payer are shown below.

ERA Transactions are available as an additional Capario contracted service. To add ERAs to your contract please contact your Capario Sales person or Account Manager. ERAs must be part of your contract and you must be enrolled with this Payer BEFORE submitting this ERA Payer Agreement.

EFT enrollment and transmission is an arrangement between the provider and the Payer. If the Payer offers EFT transactions contact them to determine if they:

- Require you to receive EFTs in order to receive their ERAs
- Charge an additional fee for EFTs/ERAs
- Require you to enroll for EFTs on this ERA enrollment form.
